Reference for Dr Lim Yeeu Kuan

Dr Lim has worked in the capacity of a part time designated factory doctor for Shell Health Singapore at our Bukom Refinery and also at our chemicals plant in Seraya, during the period 2006 to as recently as Feb 2009.

When I am called away from the clinic in Bukom, Dr Lim will stand in for me and treats patients in a clinical and occupational health capacity, as well as attends to emergency cases when the need arises.

Our good experience with Dr Lim has found him to be responsible and reliable in his duties, pleasant when dealing with patients, and knowledgeable in terms of clinical and occupational health matters. He is easy to work with and has gotten along well with my staff when he is on duty.

I wish him well in his further endeavors.

Please feel free to contact me should you require any further clarification.

Sincerely,
