Trinity Housecall is staffed with dedicated and experienced physicians, who are not only competent and compassionate, but also go the extra mile of ensuring that their patients receive the best available care.

Coupled with Trinity Housecall's extensive network of medical and surgical specialists, patients requiring specialist care get seamless, appropriate and expeditious care 24/7.

I have found doctors from Trinity Housecall to be reliable and consistently highly professional, and always placing best care and well-being of their patients utmost in their priorities.

With best regards

Dr Teoh Tiong Ann
